Non-Partisan League Meeting

There was only a fair attendance at the Non-Partisan League meeting which was held in town last Wednesday. There were a number of visitors from outside points and there was also a fair sprinkling of ladies present. The chair was occupied by Mr. Marshall.

Rev. Irvine, of Calgary, gave a very fine address on the principles and aims of the organization. He emphasized the need of nationalizing our banks, railways and all industries which are organized on a national basis. Referring to the present party methods, he declared that what we needed was a business administration in Education that would manage the business of the country on business rather than party lines. Speaking of the history of the organization, he said that it had not met with extraordinary success wherever it has been introduced. In Dakota there were 51 candidates nominated and 51 were elected. He believed that they would meet with the same success in Alberta, and in a short while would control every seat in the province.

MR. MCINNES gave a very pleasing address, opening his remarks by saying that women had come into the franchise at a very opportune time, when men were beginning to realize that the franchise was a sacred trust. While expressing sympathy with some of the principles of the Non-Partisan movement, he said that the W.C.T.U. of which she was president, had no intention of lining up with any political party, but would remain an independent organization to line up with any great need, a question that might arise. She agreed with the direct method of financing, proposed by the first speaker, and in the election funds being provided by the people themselves. You can never, she declared, have purity in politics as long as the big corporations provide the funds to run the elections. Mrs. M. Kinney criticized the rule of the League in charging men \$10 for membership and allowing women in free. Such an arrangement was for granted either one of two things: That women are not as much worth to the organization as men, or they are not capable of handling the cash.

MR. JOHNSON, of Alderson, read the letter from "Foxy" which appeared in this paper a short time ago, and attempted to answer some of the statements it contained. Had "Foxy" been present, he would probably have taken objection to some of the explanations given. Mr. Johnson made several statements that were a little startling. In speaking of the attitude of the U.P. he said that individually the directors were absolutely in sympathy with the principles of the League, a statement that probably the directors themselves would not appreciate having stated in the public platform, even if it were true.

The milling interests were shown up in a bad light, when the speaker stated that a farmer with 5,000 bu. of No. 5 wheat was robbed of \$3,800. Referring to the success of the movement he said that 9 or 10 out of every 10 farmers canvassed were signing up and joining the organization.

All the addresses were very much appreciated and no one could object to the principles set forth. Whether, however, the same could not be gained without organizing another party is another question. Many seem to think that it could. Whatever the faults of our present legislators may be, they have given the farmers practically all the legislation they have asked for. The speakers would not have injured their cause at all if they had given credit where it was due, and acknowledged the efforts that have been made in the interest of the farmer in the province. In matters which are directly in the hands of our legislators at Edmonton, the farmer has had little reason to complain.

Rev. Hoover, the Nazareth Pastor, has taken a position with J. M. Sady. The Simnel Cakes will be on sale at Barber's Bakery during Lent and Easter, for 50 cents each.

There are a lot of regular readers who are not in the habit of advertising in the Review-Advertiser. You will find it but a few steps to the printing office, where you are always.

War Notes

The summaries are doing comparatively little damage.

Riotous outbreaks in Berlin, and frontier incidents have been called in to help order.

The talks are still continuing about the Peace and the British, and Russian troops are not in sight.

Great Britain has sent greetings to the Russian Duma and the people of Russia on the establishment of free institutions in that country.

United States rejected the offer of Henry Ford to terminate all disputes to the government, to be operated without payment, the rest of war.

About 20 Americans have already been killed by the Germans, but Uncle Sam is still proud to fight.

The Germans have been retreating all along the Western front during the past week, and several hundred villages have fallen into the hands of the Allies. British and French Cavalry have been fighting close on the heels of the retreating Germans.

The Revolution in Russia now seems to be subdued by all classes. The Czar has abdicated his throne and the probability is that a republic will be established in the near future. Meanwhile the war is being pushed with renewed vigor.

SCHOOL NOTES

On Friday evening the library society held a social meeting and refreshments in the school auditorium to help towards the purchase of a new book. The school principal, Mr. Ward, was present and gave a report on the progress of the school. The school principal, Mr. Ward, was present and gave a report on the progress of the school.

1—O. Canada.
2—Reading—Larson Chapman.
3—Plan Solo—Burgess Stevens.
4—Vocal Solo—Vera Workman.
5—Reading—Herald Chamberlain.
6—Vocal Solo—Mr. MacKenzie.
7—Presentation to Wardy Clark—A. Elford.

8—Vocal Solo—Vera Bond.
9—Glee—Olympia with promenade.
10—Refreshments.
The program was exceptionally well chosen and the noise was received with vigorous applause. The social part of the program was "immensely popular with all and numerous games were played before the refreshments were introduced. It was this part of the program which was enjoyed most and there is no need to fear that the girls do not know how to make cakes. They present at the entertainment will testify to the truth of this statement.

On Wednesday evening, April 4th the library will hold its closing meeting for the term. A good program has been arranged and refreshments will be served, following a social evening.

I.O.E. NOTES

The St. Patrick's Day tea held in the Parish hall by the Ladies' Guild, Daughters of the Empire was a tremendous success, the amount of money realized for the Soldiers' Comfort Fund being about \$14. Of this amount about \$14 was realized by the raffish of the tea being generously donated by Mr. Larkin. The winner of the highest prize was Mr. Macleod, who held number 24. The hall was prettily decorated with festoons of green muslin and large green shamrocks ornamented the walls. The tea tables were attractive and dainty and on the home cooking table Paddy green was the charming waitress so attractively garbed in white and green, to the girls who sat so delightfully and to all who contributed articles for the home cooking sale. The committee responsible for the arrangements of the tea were Mrs. Iphigene (chairman), Mrs. Bertha, Mrs. Mollie, Mrs. Ellen and Mrs. McIlroy, assisted by Mrs. Nettie, Mrs. Elvies and Mrs. Wain.

The Local Improvement committee of the Daughters of the Empire would like to open more remind the citizens of Claresholm that they have several acres of land for beautifying the town, the club at which to meet a successful garden, in a prominent part of the town. To make the money needed for the garden, the committee proposes to hold a social supper in the Parish hall on Thursday, March 29th. All people invited to attend are requested to bring a dish to the supper. The supper will be held at 7:30 p.m. and the band will give music during the serving of supper.

For further particulars see advertisement on page 2.

The regular monthly meeting of the chapter will be held in the Parish hall at 8 p.m. on Thursday, March 29th.

Mr. Alex Loringstone has taken a position at the station feed mill.

Cairo Lodge

Cairo Lodge, 33, A. F. and A. M. room of the town from G. G. Patterson D. D. G. M. of Okotoks on Tuesday March 21st. It was the occasion of his official visit and a very enjoyable evening was spent by the members of the lodge. A large number of visiting brethren were present among them were the following: R. A. Hopkins, F. S. Ditt, H. Obit, A. C. Topp, F. C. Kesteven, Delany, Allan J. Allen, Nelson, B. C. Frank, O. Jones of Leduc, Miss.

The latter, better known as "Father Kelly" in the story, gave a very interesting presentation which was much appreciated.

After the business was over a social hour was spent together and lunch served, leaving for home at 11:30 p.m.

NOTICE!

A. E. Simmons having been appointed poundkeeper for the town of Claresholm, owners of stock are hereby notified that on and after April 1st, 1917, the POUND LAW will be rigidly enforced and all stock running at large will be impounded.

This action is absolutely necessary for the protection of lawns and gardens. For the best interests of the town it is hoped that stock owners will refrain from running their stock at large. If you find your cow in the pound blame yourself, not the poundkeeper.

Guaranteeing the Price of Potatoes

The undersigned of agriculture in Great Britain by the guarantee by the government of minimum prices has become a reality. A start is being made with potatoes for which minimum prices have been fixed at 10s. per ton for delivery from September 13 to January 31, 1920, per ton for February and March of the following year, and 120s. per ton for the remainder of the season. This works out at the long ton at from about 7s. to 12s.

"How's your boy, getting along?"

"He's doing," replied Father Caselli. "And if he is really as smart as his conversation sounds, he's one of those professors who can talk up to his ears."

Instant Relief for Bronchitis

and other Liver Troubles

The astonishing efficacy of Dr. Cassell's Instant Relief is due to the fact that it goes to the liver and cleanses it, giving freedom to the organs and helps them back to health and natural action. It works it enables the system to rest itself. Don't weaken your liver with purgative pills or medicine. Get the relief and healing habit. Let Dr. Cassell's Instant Relief bring you natural and lasting relief.

Dr. CASSELL'S, F. FOREMAN, D.D., F.R.M.S., a well-known British doctor, writes: "I have given Cassell's Instant Relief to hundreds of patients for the cure of Bronchitis, and I have seen the most remarkable results. It has been compelled to make with regard to the material resources of the country which we have been preaching for years past has not been found to be the true goal. It has been found by hard experience that national safety demands that the nation should not only possess them, but also be able to use them. Therefore, it is a time of war, when thoughts of war and matters relating directly to the conduct of the war are almost exclusively, and it has become necessary to give every possible resource to the war effort. It is the duty of every citizen to be prepared to do his part in the war effort. It is the duty of every citizen to be prepared to do his part in the war effort. It is the duty of every citizen to be prepared to do his part in the war effort."

Price 50 cents, from all Druggists and Grocers.

Dr. Cassell's Instant Relief is the only preparation in Canada for the cure of Bronchitis, and it is the only preparation in Canada for the cure of Bronchitis.

Dr. Cassell's Instant Relief is the only preparation in Canada for the cure of Bronchitis, and it is the only preparation in Canada for the cure of Bronchitis.

Settlement Committee Has Been Appointed

Australian High Commissioner and Agent-General Walker of Winnipeg Members

The Colonial Secretary has appointed a committee to consider the settlement of ex-soldiers within the Empire. The committee includes the Australian High Commissioner and Agent-General Walker of Winnipeg. The committee will also have a general agent who will not be allowed to receive the War Office Committee. The committee will also have a general agent who will not be allowed to receive the War Office Committee. The committee will also have a general agent who will not be allowed to receive the War Office Committee.

Must Brace Ourselves

We Must All Be Prepared to Make Even Greater Sacrifices

We have constantly to hear in mind the prime minister's warning that, if the enemy's victory is inevitable, our victory is still difficult. We have deliberately decided that we will not be content merely to follow the status quo and throw back the aggressor within his own territory. We have decided to make even greater sacrifices in blood and treasure, to submit to economies which we have hardly yet dreamed of, to face with composure risks and losses greater than any we have experienced in the first years of war. The answer of the allied governments to the German overtures in these respects, a decisive limit in point, and we must now brace ourselves to the consequences.

PRETFL BABIES

Mrs. John M. Weaver, Bluffton, N. C., writes: "I have used your high quality Baby's Own Tablets. I have used them for my children and find them to be the best medicine a mother can give her little ones. They are very good for colds, coughs, and all other ailments of the young. They are very good for colds, coughs, and all other ailments of the young. They are very good for colds, coughs, and all other ailments of the young."

The Littlest North

It has given confidence in the agricultural possibilities of the north. After having lived there long enough to take of three harvests I feel that we have a truly wonderful farming country, and that crop will some time be found growing as far north as James Bay. At James Bay, near Moose Factory, Indians are producing corn every year, and are producing their own seed. "R. H. Clemens, Superintendent of the Government Farm, Ontario, Farmer's Advocate."

Cooperation the Remedy

My active participation in and responsible positions filled in the carrying out of the program of the Government during the past twenty-five years has convinced me that there is no other weapon today so effective for the betterment of the farmer from the unjust and unequal burdens he bears as the cooperation of society, and cooperation, rightly so called—Association, in Farmer's Advocate.

A Duke's Private Army

The Very Finest Picked Body of Soldiers in the World

The maintenance in British tradition of organized bodies of armed men for private citizens is technically illegal. Nevertheless, it is done, and, curiously, it is done in some instances, at all events it is done with the approval of the British Government. The Duke of Athol's private army is a case in point. The Duke of Athol's private army is a case in point. The Duke of Athol's private army is a case in point.

Rural Education Conditions

Importance of Primary School Training

In a survey of agricultural conditions in Dundas county, Ontario, conducted by the Commission of Conservation in 1916, the subject of education was the best of the rural school. Ninety-eight per cent of the 400 farmers visited had attended public school only, and one per cent, had attended high school. None had attended college. One of the 400 had attended business college. Ninety-three per cent of the farmers' wives had attended public school only. Three per cent had attended high school and some had attended college.

WHAT ONTARIO FOLKS SAY.

Hamilton, Ont. "This is to state that I have received great benefit from the use of Dr. Pierce's Favorite Prescription. I have been suffering from a long time with a weak and nervous system, and I have been unable to get on my feet. I have been unable to get on my feet. I have been unable to get on my feet."

State Slavery

Of all the pernicious phenomena of the world, the return to state slavery is perhaps the most stunning revelation. It was inevitable that it must come. It was inevitable that it must come. It was inevitable that it must come.

Keep up the Food Supply and Help Make Victory Sure

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unflinching flow of food to England and France must be maintained.

*This is National Service—
Not to the Farmer only—
But to YOU—to everybody—
This appeal is directed*

WE must unite as a Nation to SERVE—to SAVE AND TO PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

EVERY pound of Food raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

For information on any subject relating to the Farm and Garden, write: INFORMATION BUREAU, Department of Agriculture, OTTAWA.

PLANT a garden—small or large. Utilize your own back yard. Cultivate the vacant lots. Make them all yield food.

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.

Be patriotic in act as well as in thought.

Use every means available—
Overlook nothing.

Dominion Department of Agriculture OTTAWA, CANADA.

HON. MARTIN BURRELL, Minister.

PROSPERITY FOR 1917 FOR THE PRODUCER

Unheard of prosperity is on the ascendancy for the farmer and breeder of Alberta the coming year. The top-notch prices of the present are setting to compare with the prices for products of all kinds that will prevail before the present year expires.

This will mean that farming will come into its own in 1917. The numerous instances where farmers have made sufficient profit the past year to pay off the price of the land in one year are so frequently spoken of that Alberta farming is bound to have an influx from the United States of those who are seeking easy methods of acquiring wealth.

Many instances have come to note of farmers who bought their lands 12 months ago, and with their first crop were enabled to pay the whole cost of the land and still have sufficient left to carry them through the year until another crop.

Land that was bought for from \$15 to \$20 per acre has produced crops worth from \$40 to \$75. The prevailing high price of wheat particularly, and other grains as well, has of course been responsible for this to a great extent.

When it is known that many farmers produce an average of one hundred bushels of wheat to the acre it will be easily understood how this profit can be made and new parts bought.

Now, and the general prosperity which it indicates, instigated considerable building activities and carpenters and builders have been unable to keep up with the amount of work ordered. A great many new elevators are being built this year and this, of course, has also had its effect on the building trade.

Irrespective of the high prices that the Calgary people will have to pay for their own commodities, the influx of new business is bound to have a material effect on the growth and progress of the province.

Farm Land Values

On March 5, 1917, a bulletin issued to day by the Census and Statistics Office reports on the values of farm lands and of farm help, as returned by crop-reporters at the end of January.

For the whole of Canada the average value of farm land held for agricultural purposes, whether improved or unimproved, and including the value of dwelling houses, stables and other farm buildings, is approximately \$41 per acre, as compared with \$40 last year.

The average wages paid for farm help during 1916 have reached a high level than in any previous year, for which returns have been collected. For the whole of the Dominion the wages per month during the summer, including board, averaged \$43.25, as compared with \$37.10 and \$20.20 in 1915.

Conserve Your Bulls

For the past three years pure bred bulls have been growing scarcer and higher in price. This scarcity was so great last year that many were forced to use grades. All signs point to a greater scarcity in 1917 than ever before.

This condition could be relieved by preserving the older animals. It is a common practice to discard heifer bulls at the next meeting. Mr. Zehn, the well known expert, has no reason why bulls should not be serviceable until eight or even ten years old.

There are at the present time large numbers of pure bred bulls in the hands of the farmers and stockmen being sent for slaughter which should be used to one or another of the bull sales that are to be held by the breed associations in Edmonton, Calgary, Lacombe or Castor.

It will be in the interest of the stock industry of the Province, to save for breeding purposes all pure bred bulls that are in good health and proved to be good breeders in the past season.

W. F. Stevens
Live Stock Commissioner.

W. C. T. U.

At the meeting of the local W. C. T. U. there was discussed the plan, launched by the Provincial Union, to employ social service workers among the Rothern population in the northern part of our province. The worker in each place will make her home with the teacher of the community and work among the women in their homes teaching Canadian methods of home-keeping and Canadian ideals.

That the need for this work is very great may easily be seen when we consider that in one year the number of children born in Canada is 40,000, but during the same length of time 30,000 foreigners of all nationalities come to Canada. These people come without any knowledge of citizenship and yet are to be a part of our nation. Hence the great need that they learn the best ideas of what our country and homes stand for.

At a recent Rothern Convention in Saskatchewan it was stated that in every 10 persons in Saskatchewan was a Rothern.

That Alberta is not far behind the sister province is shown by the fact that in any area of 120 miles by 70 miles the population is almost wholly Rothern. For the reason the work is being begun among these people.

The local union pledged itself to raise its share of the required fund. At the next meeting, March 22nd, there will be taken up the third of the studies in civics.

Clareholm Cemetery

The Cemetery Board, Messrs J. R. Watt representing Town Council, George Simpson, C. J. Brainer, J. E. Kingsley and James McKinnon had a meeting recently at which a rigorous policy of improvement was entered into. After viewing the cemetery the committee went over the plan of the lots and as a result intend to do the following things:

Ask the Town Council to have the survey of the cemetery properly completed.

The intention is to formulate a price bull, sold in Ontario a few months ago for \$500.00.

Mr. Chas. Leeds and J. H. Walton, both informed over to the sub-committee purchased some good Shorthorn stock.

Sale of Registered Stock

A sale of registered Herford and Shorthorn bred by J. H. Patrick of Ontario was held at Lethbridge last Wednesday, March 14th.

The Herfords, 14 animals, bulls, sold at an average price of \$219.00, while the top price was \$350.00.

The Shorthorns sold at an average price of \$270.00 and the highest price paid for an individual was \$385.00.

The buyers sold for \$270.00. All the stock consisted of yearlings and two-year-olds. The size of the top

NOTICE

The Prize List for the Exhibition on Aug. 1st and 2nd of the present year, is now ready and, after being exhibited to the directors, will be at once placed in the hands of the public. As the prize money may be published early in April, persons wishing to double special prizes on any particular breed or strain, or for the produce of any particular horse or pedigree stock, should advise the Secretary at once.

Ladies intending to enter for the Home Industries Classes can see the Prize List at the Secretary's office, or they can advise themselves as to the same.

O. J. BARNES, President
J. R. WATTS, Secretary

CARD OF THANKS

Mr and Mrs. McDonald and family
heartily wish to express their sincere
and heartfelt thanks to their friends
and neighbors for the sympathy which
they have shown them during the
days of deep grief over the bereav-
ment of their dear son, Ernest--
through the many gifts of flowers and
other tokens of kindness and comfort
afforded.
